

We are happy to announce that youth females are permitted to bowl in the Greater Cincinnati USBC 2021 Catherine Burling Queens tournament on April 10th at Super Bowl Erlanger.

Please note that any youth will receive their winnings via their SMART account. If a youth wins the tournament, they will be eligible to bowl in the Ohio State USBC Queens Tournament. In this event, if the youth decides to bowl, the entry fee will be paid by the bowler and the amount of the entry fee will be put into the youth's SMART account.

Any youth wanting to bowl in the GCUSBC Queens tournament must turn in the entry form and the USBC Consent Form, which are available on our Facebook page; Greater Cincinnati USBC and our website; www.gcusbconline.com.

Also, if a youth is currently bowling on a team of any sort, please check with your Coach to ensure that bowling in the Queens tournament will not negatively affect your position on the team.
